## Chubb Life Thailand Launches Rewards Program to Motivate Chubb LifeBalance Users

CHUBB®

Bangkok, Thailand – February 10, 2021 – After the successful launch of Chubb LifeBalance, a personal 360° health and wellbeing virtual coach app, Chubb Life Thailand has unveiled a rewards program to motivate people in Thailand into living and maintaining a healthier, active lifestyle.

With Chubb LifeBalance mobile application available on the App Store or Google Play, users can set health goals, actively track progress and check their points balance. Users will be rewarded with points upon successfully completing goals which can be redeemed for benefits such as shopping coupons and gym membership discounts.

**Angela Hunter, Country President at Chubb Life Assurance Plc.** said, “Everyone wants to live a healthier life but does not always have the motivation to introduce those positive habits and make it stick. At Chubb Life, we understand our customers’ desire to live their life with long-lasting health and confidence. We wanted to motivate people to start making small changes and to be able to sustain a healthy lifestyle to reap the health benefit in the long term. That is why we added the rewards program to help encourage our customers, on top of the existing motivational mechanisms, such as virtual AI coach, goal setting and participating in live challenges.”

Chubb LifeBalance rewards points upon completing various types of physical activities, such as doing workouts, answering questions from our virtual AI coach, joining live challenges and achieving personal goals. Redeemable rewards include e-coupons for department stores, supermarkets, restaurants, coffee shops, online shopping, food delivery, and gas stations, medical check-up discount, and special rates when purchasing health tracking devices or fitness membership.

Download Chubb LifeBalance from the App Store or Google Play and start enjoying the rewards program. From today until April 30, 2021, the first 1,500 users who successfully activate their Chubb LifeBalance accounts can redeem a Shopee e-coupon valued at 100 THB with just 100 points!
